“ I remember when I first started bike riding and Bob gave me an invitation to the "Tour De Toad" bike ride out at the lake and a pancake breakfast afterwards. I have good memories of Saturday morning club rides and breakfasts at Sherry's Kitchen in Bullard with Bob and other club members. He will be missed.

“ Bob was so talented, his wood work and pictures were amazing. He once showed me a bird house he built and I talked him into building one for my husband's birthday. It turned out great. S. Harris
