“ Deepest sympathy, friend, in the loss of your dearest husband. It has been a long battle but we know Christ is the victor. One breath here and the next with Jesus. Praise God for that comfort.

“ Gene was a joy to work with. Always willing to help with a smile on his face. Always talking about Jeanine and his girls. He showed his Christianity by helping others who were having trouble out on a job. My prayer is that the Lord will comfort your broken hearts because I know he will be missed.

“ In the late 80's Gary met Gene while working at Bonar. When they were both laid off they applied for, tested and went to work for Southwestern Bell together. Shortly after Gene retired Gary retired but they always stayed in touch. Gene was more like Gary's brother than a friend. I have never met his girls but I feel like I know them. Gene and I used to set outside on break and he always talked about Jeanine and the girls. He loved them all dearly and was so proud of his family. Gene was a devoted friend and family man. He will never be forgotten.
