“ Sandy,
I was shocked and saddened to hear about Jim, he was a good friend and I will miss him! As I look back over the past few years several memories come to mind, too numerous to list! He was a Mason's Mason and will be deeply missed by the Masonic Fraternity. Please know that you are in my thoughts and prayers.

“ Sandy,
*It was such a shock. James was with us at lunch on Thursday, February 18, 2010.
I'm so glad we had that time with him.
I could always count on James. We had a lot of fun in those high school days gone by and then enjoyed continued 'old friendships' at our "Tradition @ Traditions" reunions. But, for now, we will say goodbye to our high school classmate and dear friend.
You were such a close, caring, and happy couple. I admired that so much. Life partners who really cared about friends, and worked together doing good things for others.
We are going to really miss him so very much and I want you to know we're here for you. Please stay close and in touch.
Love and sincere condolences to you and your family,

“ Sandy,

I am sorry to hear about Jim.

I was glad to call him my friend and to also be his friend. Jim was a Good Man and was a very passionate person.

I know without a doubt there were several things he loved, of course the first being you and the second was the love of Masonry. He was a Mason in all aspects of the word from in the Blue Lodge which he never forgot up to being a Shriner. He never forgot that being a Shriner meant everything is always about kids that Shriners helped.

I will miss him but most of all I AM GLAD TO CALL HIM A FRIEND AND A BROTHER.
