“ He was without a doubt one of the finest gentlemen that I have had the privilege to have known and worked with. I knew him when he was President of Clan Doiglas Society of North America. During his term in office ,the organization made great progress in service to its members and the pride with which we honored our ancestors..He was fair and honest in all he did in this endeavor. I extend my condolences to his lovely wife and family..I am grateful for the opportunity to have known them..Rest in peace old friend..Diana Kay Stell ( Past President of Clan Douglas)
