“ *I have fond memories of my cousin, Jim, from our childhood visits to our grandparents who had a lovely summer cottage on a lake in Michigan. I'm sorry that I didn't get to know him in his adult years, but will always remember him as a child enjoying the lake and fishing with Grandpa. I'm sad to know that he has passed away and my deepest sympathies to his family.*

“ Dear Family,

I am very sorry to learn of the loss of James. Our family also experienced the loss of a loved one this year. We found much comfort in God's Word the Bible. Matthew 10:29-31 tells us that our heavenly Father takes notice of when even a small sparrow falls to the ground. Since we are worth so much more we can be sure that he is aware of the death of our loved one. Jesus assures us that there will be a time when all those asleep in death will experience a resurrection back to life. One day there will be no more death, tears, mourning or pain.(Revelation 21:3,4). May this sincere condolence help your family have a measure of comfort and hope.

“ Please accept my deepest sympathies for your loss. The lost of a love one is the most painful experience we have in life. There is a void that cannot be filled. Rest assured the Bible promises we will hold them again and enjoy their smiling faces forever. It is God's purpose that no one dies ever again and everyone live on earth in Paradise. God never wanted anyone to die but to live happy healthy lives forever on earth. We have to exercise faith in his Son, Jesus Christ, to gain these blessings. God gives us his Word so we can gain comfort now and have hope for the future.
