“ Jimmy was always friendly, concerned and sincere. I hosted a SMA reunion about 5 years ago at my home on Lk. Buchanan and he possibly saved my husbands life. They talked about some health issues that my husband was having and because of his urging, my husband went to see his Doctor and had a heart stint put in the next week. I have always thought of Jimmy with fondness and he will be missed.

“ I am so sorry to learn of Jimmy's passing. He and I played together in Big Lake when we were children. We saw each other infrequently, but he did come stay with my parents in Pasadena Texas some time in the late '60s. I'm just sad that I didn't look for him earlier instead of waiting until we retired! God bless you all.

“ May God bless and keep you comforted at this time. Losing a parent, husband, or friend is never an easy experience to go through. I have learned since losing my dad last year that even today I still miss him and have my times of tears and that is ok. Your healing and feeling of loss is in your time and therefore take it. Christie you are a wonderful young woman which tells me even though I did not meet your dad, I have met him through you. He is very proud of you I'm sure of that. Please know that my heart goes out to you and your family during this time and I'm here for you any time day or night.
I love you!

He shared some of his Viet Nam war experiences with us as we traveled to games. He was a great guy. My sincere sympathy and prayers are with each of you, and may God Bless and comfort you. I know he is up there smiling down on you today.
May the Lord bless you and keep you in the palm of His hand.*

“ *It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.*

I could be there to hold your hand.*

“ Our hearts and thoughts are with you during this difficult time. We knew Mr. Munn through brief meetings but also through Kristi. It was clear that he loved his family and wanted what was best for them. Any father who can let his daughter move to NY with his blessing is certainly thinking of her and not himself! We are truly sorry for your loss of this great man, father and husband.

“ You are on my heart and in my prayers. I am so sorry for your loss. Mr. Munn always made me laugh.

I look forward to seeing you on Wednesday and holding baby Ryder.

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love - Leo Buscaglia
