“ Our hearts go out to all the family and friends of Jane. She will be deeply missed by so very many people.

*Jane's legacy will live forever through the many lives that she touched. Jane guided her students with integrity, kindness, thoughtfulness, and wisdom. She had a love for her family, her friends, her school, her students, and her fellow teachers. In so many ways, she contributed to making this world a better place. Her warm personality and beautiful smile always made each person she was around feel special. She was such a sweet and dear lady. The memories that we created as we worked together at Robert E. Lee High School will always be my treasures. I know that each of you have many memories that will keep your precious Jane alive in your hearts and in your minds.*

*Our thoughts and prayers are with you,*

“ *What a fun couple to be friends with when the 4 of us were newly wed's. We could think of something to do that wouldn't cost too much, like making ice cream and enjoying the whole freezer. Remaining friends has been a great joy. We are thinking of Jimmie at this sad time. Our love and sympathy to all the family.*

“ So many wonderful memories of the 12 or 13 years the six of us traveled together. We choose a differed state and location each year. Jane was the most experienced traveler of us and she always knew the best places to go and the most interesting things to do and see in each location. On one of our last trips we dodged a hurricane to fly home. The one cruise that we took one our six couldn't go and Betty took her place so we got to know Jane's sister.

Loved Jane like a sister and will miss her deeply,

Jeanie Robinette
