“ Jane was one of the most kind-hearted and caring people I've ever known. Ricky & I caused her a lot of grief growing up in Tyler. She was always so funny and supportive. I didn't really understand that at the time, but know how big of a heart she had now. She and Perry were very special to me growing up and all my prayers go out to Ricky & Stephen and their families and to everyone who knew her.

“ Visits from Jane were always highlights of countless Howard & Barbara Lang family gatherings. She was especially dear to Barbara Lang since Jane's childhood & throughout the years. Barbara would always say how Jane would "light up the room" when she arrived. She truly did light up our lives. Our deepest condolences to Ricky, Stephen and family. You are in our thoughts and prayers.

“ May my dear cousin Jane rest in Peace. We both lived in Atlanta during our childhood years, with our families frequently spending time together, Jane and my sister Jody about the same age and her brother John close to me. Good, happy memories. The accompanying photo of Jane is a favorite, the way I like to remember her. John M. M. Harrison, 1st Cousin.
