Beautiful memorial service. I was married to Donald, Jan's first cousin many years ago and it's been years since I've seen the girls but remember how sweet they were. Jan was a beautiful lady and I'm praying for you all to be comforted by God and the pastor's wise words. As hard as it is to live without our loved ones, we do have that wonderful reunion to look forward to! May you all be blessed as I know Jan is. In Christian love, Nadara Stamps Longshore

“ *I've known Jan and her sister Donna for about 50 years. We used to go over to her house when we were young boys when they lived next door to a drive-in theatre. We would watch movies from their front yard and listen to the movie over the speakers that hung off the car windows through the fence.*

Jan was always such a sweet person and had such a great personality. I have very fond memories of her and her sister and I am so sorry to hear of her passing and will pray for her family and friends during this trying time.

“ I’ve been reading poems and searching for one that might speak to all of us and especially Jan...

‘Do Not Stand at My Grave and Weep’ by Mary E Frye

*Do not stand at my grave and weep;
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning’s hush
I am the swift uplifting rush.
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there. I did not die. 🌸*

“ *We are so saddened by the loss of Jan. As the mothers of 2 sons who were friends growing up we connected immediately. I adored Jan and her family. And after their HS graduation we had much fun getting them situated together at the University of Alabama. She would send me a “Roll Tide” text during the football games even long after their graduation. She was a sweet person who was always genuinely interested in the welfare of others. She will be greatly missed. My heart goes out to you, Mike, and your children and grandchildren as well as Donna and family and of course Papaw! The earth has lost a precious person but heaven has gained an angel.*

“ Sixty years of friendship, we were born on the same day and started Caldwell Play-school together in 1960. We walked home from school together from Bell Elementary and we both adored, Marion Branum, our 3rd grade teacher.

Jan was the sweetest and most kind person I've ever known.
Reunited with her mother and in the arms of Jesus gives me peace.
