“ I first met Janet in the mid 1970's when she was my secretary at the Texas Education Agency in Austin. We immediately connected as we had both grown up in Tyler. Although our careers took different paths, we remained friends and kept in touch with one another for over 50 years. Janet's passing was so unexpected and will leave a hole in the hearts of all who knew her. She was a ray of sunshine that brightened the lives of all with whom she came in contact.
