“ Mom was the greatest mother a person could have . She was always positive no matter what was happening. She could turn something that seamed so bad into nothing at all. She was the sweetest person I know. And amazingly one of the strongest persons I have had the pleasure of knowing. I still miss you mom. Every day. Love you mom.

“ I was sorry to learn of the death of your mom. Your mother and I were next door neighbors in Independence, Iowa. She was a little older then me, my brothers age, but we spent many hours sitting on our front porch just talking. I knew they were in Tyler and ran in to her on occasion. I also visited your dad one time when he was in the hospital (I worked there). Please accept my sympathy. I know you will miss her. She was a good person and you no doubt have great memories, as do I. May God hold you close to him as you go through the coming days.
