“ *Really going to miss you Aunt Janie. You were an absolutely wonderful person, and I absolutely loved visiting you when I would take my mom to go see you before she passed away. Thank you for being such a sweet, caring person. I am very sad that you are gone, but I am also happy you are reunited with my mom as sisters and best friends again.*

“ Aunt Janie, you are so loved and will never be forgotten. A beautiful woman inside and out. My favorite memories are my early childhood getting together at mammaw's and pappaw's and playing with my cousins while all our parents were visiting and the smell of a wonderful dinner being prepared.
A daughter, wife, mother, sister, Aunt, who touched so many lives. Rest in peace in the arms of Jesus. Enjoy your family and friends who are already there for your coming home. I love you aunt Janie!

“ Losing a parent is very difficult to say the least. I knew my Mom for 60 years. She was always there whenever I needed her. She was always there for me anytime, period. Those of you who still have your Mom, hug them tight and hold them close. Life is short and you never know when God will call them home or call you home. ❤️ 🙏
