“ Jared was one of my favorite people on campus. He was always cutting up or doing something crazy. I have lots of memories of our friendship. But my favorite memory was when my phone rang late one night while I was living in Fry Hall as the hall director and at 1 am you expect an issue for a call that late. To my surprise it was Jared and he was like hey I am stopping by to see ya. If you know Jared like we all Do he is a talker and always hungry lol. We ended up getting what'aburger that night and talking till 4am. I finally told him man I gotta get some sleep, so he crashed on the couch and then we got What a burger breakfast. The funny thing is the lady that was working was like y'all are back again and we just laughed. Jared my brother you will be missed but never forgotten. My prayers are with your family and friends!!!

“ I will always remember Jarrod from being in the youth group. His smile will forever be in my heart. I will always believe that Jarrod knew Jesus as his personal Savior. May he walk hand in hand with Jesus with the biggest smile ever. I love the family.

“ My heart breaks at this sad news. I worked with Jarrod at Weatherford. Always a gentleman and pleasure to work with. He loved his family and always talked about his son and showed me pictures of him. My prayers for his family. I know you are fishing and hunting in Heaven. RIP my friend.

“ My brother in this life and next. I wish I spent more time with you on the phone a couple weeks ago but glad you called.
You are an amazingly imperfect man. One I have great appreciation for... The kind of man that if someone asks ... Do you know Jarrod McCuller ? There was no middle ground. It was either “Yes” or “No” ... the Impact you have on people never left them not remembering the encounter.
I loved our random gas station “running into’s”.. with us both being talkers we would sit in the parking getting the low down on life... each of them being exactly what I needed that day...
I loved the times we spent in SS you would definitely say what was on your heart “unfiltered” brother that’s what makes it “Church”!
People will Live in honor of you, the man you are and the foot print you leave behind.....

Rest Amigo!
