“ Words cannot express how sorry I am for the loss of your Mother, Mother-in-law, Grandmother and Friend. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart. Ms. Jean always had a smile on her face and heart full of love. We spent many weekends at the lake and the Kee family always treated us as family. After 37 years of friendship with Tracy, we are sisters at heart and we have also lost a Mother of love. Death leaves a heartache no one can heal, love leaves a memory no one can steal. Remember that we love and care about you and pray God will surround you with his love and comfort in the days ahead. Much Love, Kay and Fay Dickerson

“ In 1977 when my twin sister and I went to Angelina College, we met and shared a room with Tracy. At that time we met her mom Ms. Jean as we called her. She was a very talented lady who made all of our dorm bedding and accessories. We remembered when she spoke to Tracy with her sweet kind words, she would say "Sister" or "Sis". Today the 3 of us refer to each other as "sister" after 30 years of friendship and it is just as strong today as it was in 1977. We spent many weekends going home with Tracy and visiting with Ms. Jean and Mr. Bill at the lake house in Whitehouse. Ms. Jean never met a stranger and was so giving to anyone she thought needed anything. Ms. Jean and Tracy had a special bond that every mother and daughter should have - not just a mom to Tracy but more importantly "a best friend". We send our love and sympathy to all of Ms. Jean's family. Love, Fay & Kay Dickerson
