“ *James and Ann, Paula and Bill and the rest of the Lawrence and Cummings families. I cannot begin to tell you how sorry I am for our loss. When I saw this on the news, I wept. Then I prayed for you and your precious families and I will continue to lift you up before our Heavenly Father. Later that evening, a smile and even laughter flooded my soul remembering Jean and our times spent visiting. You, Paula and Jean were a blessing to Melanie and I and a weekly delight in our salon. I well remember, shall never forget and will always be thankful for the sounds of laughter we were blessed to experience when you guys arrived. Today Earth has lost a bit of its luster but Heaven has become just that much sweeter.*

“ Loving, kind, thoughtful, always ready to help with any task at hand, precious daughter, wonderful wife, awesome mom, and special friend are among the ways I would describe Jean Ann. Oh how she will be missed by all that knew and loved her.

While she settles into her Heavenly home, I pray that our Heavenly Father will comfort all that grieve her passing, especially her parents and children.

“ To the Son and Family of Jean - I am so sorry for you loss. My son is on your son's football team at Henderson State. I know that we never met at the games they had but I was just sadden when I head the news of this. We traveled that same road that evening. Hope your son knows that all of his teammates are there for him. God bless the family.

“ Jean, I remember you constantly asking me about this fireman named Marty when I would go to the dentist office. You met the light of your life and it is still shining. I will miss you and Marty a great deal. I know you are soaring high as angels now. No more worries or pain. James will be okay. He has the TFD family to look after him.

Soar on sweet angel.

“ 14 years ago God brought you into my life when our boys started school together. What a wonderful friendship we had. I am so thankful you were my best friend, my go to person for everything. We laughed and we've cried many times together. Oh how I cherish those moments. I will miss our many weekly text and phone calls. I will miss your laugh. I already do. I will make sure James is taken care of. I saw him yesterday and hugged on him and made him promise to call me day or night if he needs anything or just wants to talk. He will have many “mommies” taking care of him. I will never forget you. I love you. Fly high sweet angel. Until we meet again.
