“ *As a Mother Frances employee for many years I have enjoyed visiting with Jean every time I saw her. She was always very cheerful, very pleasant and always had a crochet hook in her hand. She so enjoyed the people she would meet and she loved making those blankets. I have always wondered just what the total count was. She was special in a lot of ways. God bless you in this time*

“ *For many years, Mrs. Sudduth and her home were my second home as Lou Ann and I went back and forth between houses. She offered encouragement and a listening ear. My thoughts and prayers go out to her family. May God grant them His peace. Cathe Caves*

“ I have known Jean (Jeannie Bug) for 21 years. First, as a fellow volunteer and through the years, as a dear, dear friend. She made thousands of pots of coffee in the Saleh Waiting room at Mother Frances Hospital, escorted thousands more throughout the hospital from the Information desk and into pre-and post-op. Jean crocheted miles of love into untold numbers of blankets. Once Jean checked her calendar, she was ready to help anyone who needed her. I will miss her always - her smile, her voice and her hugs. I thank God because she is whole, happy and escorting people in God's heavenly home. Dede

LouAnn and Dickie - I am so sorry in the loss of your mother. She was always a hoot to be around. Enjoyed seeing her each Sunday sitting in "her place". You two were very blessed to have had her for a mother. The hurt will be pushed to the back and sweet memories will come to the front. Will be praying for peace and strength in days ahead. Nelda
