“ *Every telephone call and email from Jeremy was a gift. He never failed to address us as Miss Kelly, Miss Melissa or Miss Irene, always said or typed yes ma'am, no ma'am and ended each email or conversation with “thank you for taking care of this for us”. This man was genuinely kind and cared - it shined through in every conversation and in every emailed note. We are in Florida and never had the pleasure of meeting Jeremy face to face - yet the news of his death was crushing, we are still angry and heart sick. We cannot imagine how his family, co-workers and friends will shoulder this great loss and sorrow. “Death leaves a heartache no one can heal, love leaves a memory no one can steal. “ Jeremy was one of those fellows that you just couldn't help but like from the first time you talked to him. He and I never met in person. We talked often on the phone about business and about our lives. I will always consider him as one of my personal friends. The world is less without him. I am less without him. God rest your soul Jeremy!

“ It is such an honor to have been able to know and work with someone that always had a positive outlook on everything. He had such a good sense of humor and was always making people laugh. The one thing that has always stood out to me about Jeremy was his smile. He was always smiling and so polite. He made many friends at AFAS, with his genuine personality, and his "good ol' boy" mannerisms. His memory will live on for some time and he will truly be missed.
