July 15, 1966 - January 9, 2017

I remember playing at Gran's house when we were little girls. Gran warned us not to go near an old car because there were bees near there. M'Shell did anyway and got stung on her hand. Gran fixed her up with baby cream, and we were back in business :)

My sweet M'Shell - I love her so much and would have gladly given my life for hers - she is in the arms of Jesus now and she knows my heart - the Wood family's loss is heaven's gain - "A thousand words won't bring you back, I know because I've tried; neither will a million tears, I know because I've cried."
