“ *Jerry was more family than friend. We grieve for him but take so much comfort knowing where he is. He was always thinking of others, his family and friends. His heart was as big as Texas! God made us all as individuals and there will never be another like Jerry, but his spirit lives in his children and grandchildren. It was an honor to have known him and he was always an inspiration to me. While I say goodbye to Jerry I know that I will see him again someday.*

“ Just thinking of all those years of growing up when Ernie and Jerry let me tag along on their adventures. Then adulthood --every Saturday water skiing at Lake Tyler-- later in life playing cards and 42 every weekend. Vickie and I could never figure out how they always beat us??? I know Larry was there to welcome him into Heaven. He will be so missed.
