“ We send condolence to Michael & Vickie.
Michael, we knew you when you were, just a little one, in Muleshoe.
Your mother called to let us know about the death.
Don & I looked up your dad a few years ago. We had lost track of
both your dad & mother. So, we met at Libby's restaurant & had a
long visit.
I know that Jim will be certainly missed.

“ I remember James as an easy-going, well-liked gentleman. He
cared enough about his high school classmates to make the trip
from Texas to Tennessee to attend our reunions. We were all very
happy to reconnect with James.
We extend our sympathy to all of the family.
