“ I had the pleasure of meeting and getting to know Jim at networking events in Tyler as he was starting and building his insurance agency. He was always a kind and gracious friend who had a cup of coffee at his office with my name on it, each time I stopped by to visit. I will always cherish the memories I have of my interactions with him. He was a gentle man with a wonderful spirit, which undoubtedly lives on in Heaven. Until I see you again, my friend..... fly high on the wings of angels.
