“ I am truly saddened at the loss of Jimmy Lee. He was one of the greatest men I have ever known. He was kind, caring, mild and giving. I have known him for the last 30 years and grew to admire him for everything that he was and for what he stood.

Everyone should have the privilege during his/her life to have known such a wonderful person.

He meant so much to me and my wife and children. After hearing of his passing, my children echoed what a nice man he was. He did more for us than anyone will ever know.

I know now that we have to say goodbye to Jimmy Lee, and I just wanted to say, "I miss you and love you Mr. Coleman."
