“ *My deepest sympathy to Don's family in your loss. I got to know Don while he was in El Campo and thought so much of him. His friendliness, character, & eagerness to be of assistance were always evident. He will be greatly missed, but his example will live in others.*

“ As a classmate of Don for 12 years at Petersburg Schools, I was very saddened to hear of his passing. My memories of Don are of him laughing or having a big smile on his face most of the time. I did talk with him a few times while he was living in Lubbock. At that time, he still seemed very much involved with his career, looking forward to continuing work until his retirement, then traveling. I knew he was very ill last summer, but had hoped that he was doing much better. My prayers are with you, his family.

“ I just wanted to let you that while I did not know Don well I enjoyed working with and getting to know him while we were involved in building our new office in Lamesa. Prior to that we had had very little contact with each other but he was very helpful and knowledgeable through the building process and my wife and I enjoyed visiting with him during that time. We are sorry for your loss and hope that God will bless Don's memory to you.

“ My deepest sympathy to Tanya and the rest of your family. He loved you and his precious granddaughter more than you could possibly know. Pictures of you both adorned his office and he had stories to share with love that showed in his voice and his eyes that definitely came straight from the heart. He was my Boss at First Ag Credit but he was my friend as well. His love for the Farm Credit System was more strongly evident than anyone I've met or worked with in my 24 years of employment. He will be remembered for his service to the System and its members and employees but he'll be remembered most for the great person and Christian he was. My thoughts and prayers are with you.

“ *My warm and deepest sympathy go out to the family of Don. I was
hired by Don in 1991 when he was President of El Campo

“ I had lots of enjoyment out of working with Don for four of the last five years. What a guy Don was. Every day I worked with him or phoned him, his chuckle and positive attitude was always so refreshing. My favorite time was the whole week we traveled together throughout Texas to the various association branches plus our fun times at the learning conferences. My favorite moment was almost getting in trouble for stopping to take a picture of President George Bush's Ranch. It is still displayed in my office today. I still think we should have asked if President Bush needed any financing for his ranch!

Don will be missed dearly. He talked a lot to me about his family and how proud he was of them. He will be dearly missed by both myself and my wife Bunny. He definitely left his positive mark on the Farm Credit System.

“ To the family of Don Goldston, our deepest condolences to each of you. It is with great sadness that we loose Don. All of his friends in Farm Credit and particularly at First Ag Credit mourn the loss.

I personally have had the wonderful opportunity to know and work with Don for many years. What will always remain with me is the wonderful sense of humor, his caring for others and his dedication to family, friend, and everything he did. All of us who knew Don had our lives enriched.

It is with deep regret I will be unable to attend Don?s memorial service but know our thoughts are there and our prayers are with you for strength in this difficult time.

“ I've worked in the Farm Credit System for 28 years. I met Don many years ago and have worked with him and/or his employees on a number of projects throughout the years. I always thought highly of Don. I wish I had known he had recently moved to Tyler - I would have made a point to visit him. He was a very good man and was respected through out Texas.

My prayers are with you and your family.

May God Bless you and yours.

“ I just want everyone to know how very much I appreciated and enjoyed working with Don at First Ag Credit. Don was always so nice and congenial, and he was a friend to so many. Don understood that life was more than a job. He also understood the most important thing about a job is the people you come in contact with. He always treated everyone with dignity and respect and was reflective of God's desire for us to treat others as we expect to be treated.

I will be forever grateful for my opportunity to know and work with such a fine person, and will pray God's blessings and comfort to all those he loved that are, for now, left behind. May God's hand be evidenced in a mighty way to all of you.

God Bless,

“ Don and I worked together for a short time @ First Ag Credit. I always appreciated his dedication and loyalty to our system. He not only talked--he also WALKED the belief of "you are the example of First Ag Credit at all times. I also appreciate that he was fair and he would listen---to all sides of a situation and many times gave beyond the call of duty. He was a TRUE example of a what I always believed a good boss was--and he was not my boss---just a co-worker and we both shared a great respect for our positions/jobs and employer.

*I was so sorry to hear of his death. I knew that he had been sick, but I had hoped that he was on the road to recovery. He deserved a much longer life and many more happy days of traveling and of enjoyment with his family.
My sincere sympathy.*

“ As most of you know, Don and I were raised together. Our Parents were friends and neighbors. Don & I celebrated many of our birthdays at the same time. He denied being 5 days older than me, but he was. Don was a very loving and giving person. I always knew when I really needed someone to listen and be there, he would be there. I am going to miss him, it is like I have lost a brother as well as a good friend.

I want to say Thank you to Tanya and Doris for being there for him. I know how much it meant to him.

I am sorry that I cannot be at his services, but you are all in my thoughts and prayers.

“ When Don first came to El Campo to be the president of El Campo Production Credit Association, there was something about him that just drew people to him. He was always concerned about our family & friends. Always had an open door policy that if ever anyone of us had something to discuss with him, he was always there. Dan & I really appreciated our friendship with Don. He was truly our friend and we will miss him dearly!

Our deepest sympathy to all the family members.
Tonya & Allison, he loved you both so very much!!!!
God be with him we pray.

“ Tanya,

I am so sorry to hear about your Daddy passing. Thank you for calling me. Don and I spend many hours discussing the Amish, as it is a passion of mine as well. Don shared many stories of his life with me and always spoke lovingly of you and your family and his son Trey. May you find comfort in God's loving grace.

God Bless You!

“ I had the privilege and pleasure of working with Don during his tenure with El Campo PCA and First Ag Credit. I served as his credit manager in El Campo, and enjoyed working with him immensely. Don and I shared many good times together, and I will always cherish the many fond memories. His friendship and pleasurable sense of humor will be missed.

“ *Don was truly a delight to be around at work. I knew him for six years and he always had a smile on his face. He presented a national award to me once and I think he got as much enjoyment out of it as I did! He will be greatly missed, but the one thing I will always remember is him saying "I'm all over it!", when the CEO would ask him about the progress of one of his tasks! God bless you.*
