“ My heart goes out to Meme, Janie Powell and her children Stacie Campbell and family, Jason Powell, Bob & Suzanne and Justin, his present wife Jean and her families his numerous friends and first and foremost to mine and Jim's children James Hargett and Megan Hargett Pool and our two grandchildren Addison Paige Pool and Peyton Scott Pool. Jim was a very special person in all our hearts and will deeply missed. He was probably one of the most laid back people I have ever known (sometimes a little to laid back). But he was a very kind hearted person and would do anything for anybody. Never liked to argue about anything. As Many of you know he was a butcher for many years until he got a job with friends of ours at Thedford Construction which he worked at until he retired this year. We had many good times with the owners and their families. They had a very special way of excepting their employees into their family and I thank all the Thedford's for their many years of kindness to our family. I feel blessed that my children and I along with other family members were fortunate to be able to spend what would turn out to be his last Fathers Day with us together. Jim you will be truly missed and may you rest in peace. And for those of you who don't know me yes I love Jim and cared about what happened to him after all he is the father of my children. But I am married to a wonderful whom I love very much. May The Lord wrap his arms around all of my Hargett family and give them the strength to get through this. My thoughts and prayers go out to all of you. Love

“ Meme, Janie, Bob, Jean and your entire families: I, as well as my family, have been truly blessed for 30 yrs to know Jim and his family. James and Megan , my grandchildren thru marriage, as well as Jim have spent many days having fun as well as what we called blood, sweat, and tears working on "The Land" in Brownsboro! Jim was a quite man, worked hard, would do anything you asked of him and truly enjoyed relaxing at the end of the day! He and Don Harden were a team for many years and really enjoyed the years they spent together. In my opinion, a great man taken too soon! I pray that The Lord will give you all the strength to make it thru the next several days and that the memories will fill your hearts in the days to come. He will be missed by everyone . May God Bless the entire family , love you all Linda Harden

“ So many cherished memories of Jim! We recently laughed about how childish we acted in our teen years! In our younger days we spent a lot of time dancing and laughing! I am so thankful for his part in our lives and will cherish his laugh, humor, love and the last conversations we shared about life, memories and how to cope with cancer.

Jackie recalls all the silly things they did as young boys and said he actually out ran Jim & Bob only once when they got in trouble! LOL! They were much faster than he!

Jim will be in our hearts and our prayers will be with sweet Jean, Bob and the entire family! God bless them!
