“ I am sorry to hear of your loss. The HHS class of '56 are in the process of trying to get everyone together for a 50th class reunion. We will miss having Jimmy join us for that event. Many of the folks who lived close to Henderson did not come to our reunions. But we had hoped to get as many as possible to attend this event. We have lost so many of our classmates and those of us who are left really appreciate seeing each other.

I am truly sorry for your loss.
