

Jimmy Mitchell

January 9, 1944 - April 14, 2012

Services for Jimmy “Bob” Mitchell, 68, of Tyler, will be held on Wednesday, April 18, 2012 at 2:00 PM at Stewart Family Funeral Home Chapel with Wes Crawford and Jim Gardner officiating. Burial will be under the direction of Stewart Family Funeral Home. Mr. Mitchell passed away April 14, 2012 at Good Shepherd Medical Center in Longview. He was born January 9, 1944 in Paris to Tom and Elizabeth McGough Mitchell. Bob loved his family dearly especially his grandchildren. He was a wonderful Grandfather and they called him Bobba. Bob had a tender place in his heart for animals and loved taking care of those that had been abandoned. Bob was a compassionate man who cared for people and those in need. Upon visiting people in the hospital, Bob would bring an owl figurine as a reminder for the person that they were being looked over as owls watch over the night. Bob was a second generation ‘gadget’ man. He loved guns, knives and fishing. As an Operations Manager for Healthy Figures Weight Loss and Treatment Center, Bob would give a pocketknife to the men or kitchen knife to the ladies when they achieved their weight loss goal. Bob was preceded in death by his parents and by his sister Tommie Campbell. He is survived by his loving family including his wife of 49 years, Jean McMahan Mitchell; children, Misti Plank and husband Jeff of Lindale and Jimmy Mitchell and wife Elizabeth of Benton, AR; brothers, Sumner Mitchell and Harold Mitchell; and grandchildren, Kameron Plank, Brenden Plank, Jenniva Mitchell and Charis Mitchell. Pallbearers will be Jeff Plank, Nathan Mayes, Shawkat Taha, Chad McNew, Mario Ortega and Steve

Butler. Honorary pallbearers will be Kameron Plank. Visitation is scheduled from 6:00 –8:00 PM on Tuesday, April 17, 2012 at Stewart Family Funeral Home, 7525 Old Jacksonville Highway, in Tyler. Donations in memory of “Bob” may be made to Pegasus Project, P.O. Box 26, Ben Wheeler, 75754.

“ Oh, BOB, the world will not be the same now. Your smile always warmed my heart and made me feel very special. You understood how hard life is and how to encourage people to keep going forward. Now you must go forward and we must stay. All of us lucky enough to know you, will hold you in our hearts until we can join you. I look forward to that day!

My heart goes out the family that he loves so much. Hold strong to his love and know that he is with the Lord and watching over you as he always has. He will never leave you.

“ Dear Jean and family,
So sorry to hear about Jim's car accident and his passing. We are still in shock to hear the news. We loved Jim and his humor. I'll never forget a Monroe function at Remington Park that Monroe had to host and he and I had a shrimp eating contest. I know that John is just heart sick about his passing and will write you later. You and your family will be in our prayers and thoughts. John has just come home from radiation treatment in Switzerland or we would be at the funeral. We love you guys. Please tell Misti and Jimmy we are so sorry. Jim was a good man and a good influence on anyone he came in contact with. God bless you. Virginia Ware

“ Jim was truly one of a kind. A great friend and someone i truly respected as a human being. He loved the lord, his family, friends and all that he met. He was a business and personal mentor to me from the beginning of my career to this current day. Over the years his guidance and examples of how he lived his life, loved his fellow human beings and how he dealt with others has served as the template that i have tried to pattern myself after and i believe that i am far more successful professionally and personally due to Jim's influence. Without a doubt, i am a far better, kinder, happier human being because of Jim Mitchell. He will be greatly missed and his loss is truly painful but i am also feeling joy for him, Jim has received his Christian Miracle: He has returned to our lord and is in a far better place. Peace be with Jim in heaven and his family here on earth. You are all in my prayers.

“ *"JIMMY FRANK"*

This is the only name I have ever known him by.

He is my cousin and the last time I had the privilege of seeing him is when I graduated from high school. That was in 1960, 52 years ago. He stayed with us for a few days and went everywhere with my boyfriend, now husband, and me. I just remember all the fun we had at that age.

I am so sorry I didn't get to meet the fine , gentle giant of a man he grew to be.

*My husband and I offer our condolences to the family.
Please take comfort in the wonderful memories you have of him.*

Our prayers are with you Jean, Misti, Jimmy Shea, and grandchildren.

We will forever remember the young man he was.

*Love and Prayers,

“ C.J. I am so sorry to learn of your husband's passing. You seemed to have such a nice relationship with each other.
He is probably up there telling the angels how people are getting healthier by loosing weight down here in Tx.
Some people I have known who have been coded and came back say the flowers and music are much more than ever seen here on Earth.
It is a pleasure knowing you and having known your husband.

“ To Bob's loved ones,

I met Bob about two years ago when I joined healthy figures. He was so kind and funny. I rejoined two months ago and just recently saw him. As you know, he was such a kind man. I enjoyed seeing him every week and I will miss him. I too know your pain. At 40, I lost my son in a car wreck last year. I rejoined healthy figures thinking it would rejuvenate me. Everyone that has never gone through a traumatic event will say many things that dont make sense. All I can say is that know that Bob was loved by many. With time, it does get better. Be thankful and lean on God even when he makes you angry!

*Sincerely,

“ Jason, i probably won't pslbiuh WPJobBoard in WordPress plugin directory, for few reasons:- i would need to maintain two SVN repositories, one on WordPress server and one on my own- also i do not want to maintain two version of WPJobBoard it gets a bit messy after a whileAnother thing is that having only premium version allows me to focus on premium users who paid for the plugin and require first class technical support. On the other hand there are few WordPress plugins that i want to pslbiuh as open source software, so while you will probably won't see WPJobBoard there you might see some other plugin from me.
