“ In 1979, Jim and I became friends through running and remained good friends throughout the years. I remember when Jim came up with the idea of us running a marathon. He said that if we could run 20 miles, we could run 26.2 miles. After church that week, we went to the high school track to see if we could run 20 miles. After 80 physically tiring and mind numbing laps on the quarter mile track, Jim declared us ready for a marathon. Jim and I ran four marathons together over the years. Through happy times and sad times, I have never had a better friend than Jim Reily.

“ *Jim was always a pleasure to be around. He was a true gentleman and made one feel special to know him. Probably Marilyn taught him how to do that! Sue and I were privileged to be able to travel with Jim and Marilyn and the trips were wonderful. Our family shares the loss and our prayers are with the Reily family. Dannie Skipper*
