But as for me and my house, we will serve the Lord."

“ *John, Nancy and Elizabeth - it was such sad news to learn that your sweet mom had passed away - even though I had not seen her in years it was just such a shock to hear. I remember her so well from the time that my family lived on Fair Lane at Pecan. I never remember seeing her without that big smile on her face - she was the one of the friendliest persons I've ever known in my life - she would always blow the horn, smile and roll the window down and say hi as she turned the corner onto Pecan in the yellow Chrysler station wagon - I remember that as if it were yesterday. She was so patient with my little brother Lance who was always pulling his little wagon up and down Pecan pretending to be her "plumber"! She always played right along with his colorful imagination - letting him tinker under her kitchen sink which made him feel so grown up. Her genuine kindness and thoughtfulness toward others was truly one of her most important legacies. Our memories of the way she lived her life and of her service to others will help sustain us in the future and no doubt inspire us to live better lives - she will be missed*

“ Nancy,
I met your Mom many years ago and she was a beautiful lady. I am not sure that our generation is giving back true "Ladies" but your Mom was one. She loved her family only second to the Lord Jesus and her smile and encouragement were always available. She encouraged me many times during my divorce and gave me hope to go forward. You truly are a treasure of hers. I know the pain is acute right now but with time the pain will never go away but the intensity will. May the best of memories and the sweetest recollections be a source of comfort for you and your entire family. And may heaven become a sweeter place in your heart now that your Mom is there.
Love,
Kathey

“ Jamie,
I was so saddened to read of Joan's death. It seemed like only a month or so ago that we had such a nice visit at Sam's Deli. You were blessed with having such a wonderful woman by your side for many years. I had no idea that her health was bad when we visited. I know your are struggling with her loss. You and your family are in my prayers.
God Bless You,
Bill Frizzell
