“ *Kyra - I had the honor of working with your mother while she was at CB&I. Her smile was infectious and her humor was quick. She spoke of you often and with love and pride. My heart hurts for you and the rest of your family.*

Joanna was my friend and I will miss her. My heart hurts for me and her other friends.

May angels walk with you now and always.

“ *May the road rise up to meet you.
May the wind always be at your back.
May the sun shine warm upon your face,
and rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of His hand.*

My deepest sympathy..
