“*Joe Deming was my fraternity big brother, roommate and best friend at TCU. We did everything together at school. I was QB and he was the best WR ever to play intramural football at TCU. He was unstoppable and we never lost a game our entire Jr and Sr years. Often the opposing fraternity would try and triple team Joe and still he got open and scored a TD and he NEVER dropped a pass. He was unbelievable especially running the zig out pattern. We also were President and Vice President of the frat together and shared SO many experiences. In the mid 1980's we were both living with our families in Europe and get together. I had my very first hole-in-one playing with Joe on the Hahn AB Germany golf course on #3. I have SO many wonderful memories of times with Joe and I will miss him greatly, but am assured we will meet again with Jesus.....God Bless Rick Brown*
