“ Martha and family, I worked for John at the CSB in Arlington for a number of years, and I can truly say that he was one of the best supervisors that I ever had. He was kind and always fair in his dealings with his employees. May God bless you all in the coming years as you remember John. My prayers are with you all.

“ Martha, I truly wish that I could be there with you during this difficult time. John, as you know, did so much for my career with Southwestern Bell as well as to make my family and I so comfortable and welcome when we moved to Arlington. He was a great friend but the thing that I admired most about John was that he always lived life to the fullest. I will miss my Facebook Chats with him that we shared in the recent past and please know that he will be in my prayers and thoughts and I will always cherish the good times that we had. God Bless you and your sons and their families. Lou Garza
