“ I first met Dr. Miller when he was practicing internal medicine along with my father in his office on South Fleishel Avenue in Tyler. It was an honor knowing him and I enjoyed his sense of humor very much. My deepest sympathy for your loss.

“ I have lost a very dear friend. I worked for Dr. Miller in his office for nearly 25 years. By Gods grace, I was able to spend time with him the day before he left us. And, he knew I was there with him. To Sheryl...I pray that God will give you strength, peace and healing from the loss of your one true love. Rest in peace Jack, my friend...I know there must be beautiful golf courses for you to play in heaven....
