“ I have had the honor and pleasure of working with John at Tyler Junior College for the past several years and specifically for the past three years on a daily basis teaching Level 1 Associate Degree Nursing. He will be deeply missed by all who worked with and learned from him. His dry humor that kept us laughing will most certainly be missed and I will never look at a pig again without thinking of our beloved John. The text messages with pig pictures will be especially missed :-) Fly high my friend. We will never forget you.

“ My deepest condolences to the entire Montalto family. I am so sorry to hear of John's passing. I met John In El Paso in the early 80s, were room mates for a few years, were in the same Army Reserve unit, and became close friends. He was the best man in my wedding and I was the same in his. I remember sharing many late night desert adventures in his Jeep, from rabbit hunting to simply exploring new trails, and laughing a lot. John shared his knowledge of the Military, emergency medicine, and just life in general. He was like the brother I never had. I will miss him. Rest in peace my brother.

It is so endearing to read from the friends John met thru out his career, his life. We met all the Montalto's when they moved next door in 1967?? But we kept up to date with Johns travels after he joined the army thru his sibilings. It is great to hear he continued to embrace life and the people in it.
