“ I remember as a child,always wanting to play on the Ramsey yard because they had the softest,greenest grass, unlike anyone else's on the block.

*I am saddened to hear of Mr.Ramsey's passing. Your family is in my thoughts and prayers, as I think of you all often anyway.*

*As I know from my childhood, that your family is that of Believers, we know that now is a time of Rejoice!*

“ John,  
you were as nice a neighbor as any fellow could ask for. I enjoyed your stories of being in the Navy and what you had to do to keep the ship running.

*It was nice to talk "Computers" with you. The Salvation Army really appreciated your donations and I hope you know that they went to help the needy in this community.*

*I will miss your guidance with the lawn. I can only hope to remember all you taught me about grasses, weeds, watering and fertilizer. And, Oh yes, the Ciccada killers!*

*I will remember you every time I mount my John Deere to mow. And I will miss you.*

*Sam*
