“ Memories ?????? I have a lot! !! My greatest memory would have to be, how my dad and his now wife Lynn, took my grandmother's house from her , and now are attempting to keep my Aunt from getting her half of the house, which my dad and Lynn both agreed to pay her, her half of !!!!! For someone who says she hates my dad's side of the family so much, she sure didn't mind taking and living in my grandmother's house, while you watched my grandmother wilt away and die in the nursing home !!!!! Not once going up to see her !!!! It's a great shame that the Chandler fire department don't do background checks. If they did, Lynn probably would've known the truth a long time ago !!!!! Memories.....aren't they great !!!!! My condolences to his 9th wife, Lynn .
