

Johnny Wayne Portwood

July 12, 1949 - January 21, 2021

Johnny Wayne Portwood. A man known by many names, Johnny, John, Daddy, Dad, Papa left for his Heavenly home on January 21, 2021. Born in Tyler, TX on July 12, 1949 to Troy and Helen Portwood. Johnny was the second of five siblings including himself, Bennie Portwood, Nancy Portwood Crawford, Penny Portwood Davidson, and Kevin Portwood. Johnny attended Tyler schools, graduating from John Tyler High School in 1967, where he played football and met the love of his life Kathy Beaty. Upon graduation, Mr. Portwood served his country during the Vietnam War from 1968-1974 in the United States Navy. Marrying Kathy after boot camp, their early life was spent traversing the country to naval bases in San Diego, CA; San Francisco, CA; Fallon, NV; Mobile, Alabama; and Pensacola, FL. During this time, Johnny and Kathy connected with lifelong friends of 52 years, Don and Diane Hahn of Soldotna, AK. Their special friendship spanned the decades and saw the growth of families. In Reno, NV, the Portwood's celebrated the birth of their first child, daughter Jeri. After faithfully serving his country, the family moved to Tyler, TX and then to Nacogdoches, TX where Johnny graduated with honors in earning his Bachelor's degree in Agriculture from Stephen F. Austin University. During this time, the family grew again, celebrating the birth of their son John. Upon graduation from SFA, Johnny began teaching agriculture at Nacogdoches High School. A necessity to help with the family business soon emerged and Johnny and family returned to the Tyler area, settling in Whitehouse, TX. During this time Johnny worked with his father, brother,

sister, and mother at Portwood Insurance Agency selling policies to local teachers and school districts. After his time as an insurance agent, Johnny moved to another sector and continued his professional career at East Texas Alarm Company. Throughout his life, Mr. Portwood had many passions, but none more than his faith and his love for his family. He attended church in Tyler, first, at Omen Road Church of Christ, then, West Erwin Church of Christ, and finally, Shiloh Road Church of Christ. In his final years, as health prevented his travel from home, he worshipped virtually with the Eastridge Church of Christ in Rockwall, TX. Church was always a major influence on his family and never far from his heart. Johnny's true pride and joy came from his family. He provided his wife and children with an unbelievable life filled with joy and happiness that manifests itself in gatherings, vacations and time spent together.

He is survived by his loving wife of 52 years, Kathy Portwood of Whitehouse, TX; 2 children, daughter, Jeri Portwood Prestidge of Whitehouse, TX and son and daughter-in-law John and Saralyn Portwood of Huntsville, TX; 6 grandchildren, (Jaci Prestidge Luebbert, Corey Prestidge, Kaylee Prestidge, Jackson Portwood, Cooper Portwood and Emmy Portwood); along with 1 great-grandchild (Dani Kay Luebbert). His true passion in life was his family and his legacy is the unwavering love that he showed them. Johnny is preceded in death by his father, Troy Portwood; mother-in-law, Gussie Beaty; and father-in-law, John Beaty.

“ *Dearest Kathy and Family, May the Spirit of our LORD and Savior comfort you and sustain you at this time of the loss of Johnny. I can so vividly remember seeing you two walking the halls of John Tyler with such love in your eyes for each other. It is very clear that you and Johnny built a legacy of faith, family and love....and the greatest of these is love. My husband and I moved to Tyler last June. I long for the day when we can visit. My prayers surround and your family at this time. I love you dearly Kathy. Jensy McDonald Gregory*

“ Kindness, a laugh, encouragement, and a big smile, with LOTS of patience..... These things I could always expect to see from Big John when I was over at the house with Little John, growing up with the Portwood family as great influences in my life.

One wonderful summer memory I have was going over to a good family friend's pond and fishing for catfish before little John or I could drive. Big John showed us how to properly use the chicken livers with awesome success and we were snagging cats out as much as we could stand to take home every trip. Later on, part of Big John's love and guidance for little John brought extra trust in both John and I, allowing Little John to drive the red Ford truck down to the catfish pond, and even down to the lower pasture where I remember that little John learned to do doughnuts with that truck in the muddy field.

I could go on and on and fill up pages of this tribute, but, the big picture here is that I grew up around Big John and Kathy, and all I can remember is them giving little John and his sister Jeri the most honest love that children can hope for.

What better and more can You say of a person than that they Loved God, Loved their family, and showed Love and kindness to others whom they encountered?

“ While growing up with the Portwood family, the love that Mr Portwood showed for his family was unmatched. This bled over into all things his children did. He & Mrs Portwood were unmatched positive supporters of the Wildcat football team and were never shy about giving praise to every member of this team. He worked hard and ensured that knowledge & his wisdom was shared with whomever he talked to. It was truly a blessing to have him & his family as an influence growing up.

“ *I haven't seen Johnny since 1968, but, I saw him a lot for 10 years, the 2nd grade through the 12th grade. We played baseball together (Ramey Green Aces), football (Boulter Jr. High and John Tyler). We worked together the summer of 1966 hauling hay.*

When you look in the dictionary under "salt oft he earth", you'll see a picture of Johnny. He was a great guy to grow up with and as I read in his obituary, he was an outstanding man.
