“ Paula and Serra I am Judy Ker McWilliams Joe's cousin in Coatesville, Pa.
How sorry to hear Joe has passed. I have been looking to see if there will be a service or not. All the Ker cousin's have been asking. We all want to let you how sorry we are. My last and one of my fondest memories was about four years ago we had a family reunion at Richard Ker's in N.J., what a wonderful time we had and everyone loved that Joe could come. We had a great few days with him. I will miss him as I am sure you will too. God Bless you and your family and stay well. Our deepest sympathy Love Judy
