“ *I did not know Mr. Skelton, but I sure did hear a lot about him from Bryson. I know Bonnie, and her family, and everyday before I begin teaching Bryson, I get a wonderful family story and wonderful memories. They are all so heart warming and touching, and Bryson can always make me laugh when sharing them with me. Bonnie, I am so sorry for your loss, I know it is such a horrible experience. I pray that you and your WONDERFUL family find peace and laughter within your memories, and the time you had with him. Hold every second you had with him and every memory of him close to your heart, and dance with joy knowing that he is no longer hurting, and that he can walk, and do all the things that he couldn't do here on earth. Bonnie, you, Kevin, Bryson, Grace, and Kelson are so special to me, and I love you all, you are all so easy to love. I am blessed by each of you. I had just got to meet ("MeMe") Beverly on Thursday, and she was as sweet and wonderful as the ones I already know. Beverly, I pray that you have peace, I understand that for a while your life will seem so empty, but I know that in time you will be okay. God bless each of you and carry you during this difficult time. Love you all very much!*
