“ *there were 6 of us back in the day...Joyce, Anita, Jan, Faye, Linda and me. We ran around together and were always in each others pocket for probably 10-12 years. Sad to say I am the last left of the group.
A mighty force has left this world. My heart aches.*

“ *Hi everyone, Joyce was a dear friend to my mom, Anita Socia. She and Carl were like my second parents. I have fond memories of visiting them on the lake. One time, Joyce wanted Marissa, my daughter, to catch a fish. So Joyce took a fish out of the cooler, put it on the hook, cast the rod...then called my 3-year old Marissa over to hold the fishing rod. Marissa was THRILLED she catch a fish!
Love you, Joyce! Always have and always will.....Tanya Del Priore*

Yes, ma'am Joyce ran her own ship. She was her own person. She was one of a kind neither loved her or didn't and she didn't care. She was my friend and I'll always remember Joyce in our hair days together.
