“ I am so sorry for your loss, no words can express my sorrow over the passing of JD. Though I have not seen him in many years, I think of him often with fond memories. He was such a good friend, he was always there when I needed someone to talk to. He was such a wonderful witness to the love of God. He served the lord in action, not only words.

“ ...As I sit here staring at my 1989 Inaugural Photo from when I was a part of that great band, I cannot help but feel some connection to this young man. My family and I will be praying for the entire family and send our deepest regrets.

“ What a magnificent person J.D. was! He brightened everyone's day with his thoughtful words and great smile. I am so lucky to have met this wonderful young man. He loved our prestigious University and LHB. With every event, there he was, in front of me pushing Big Bertha. He would turn around and look at the band with that brightening smile, and something about it just made you feel good all over. I'll never forget the end of the Rose Bowl. We were standing together on the field watching every move the Longhorns made, hoping they could pull something out. With one second left and hands locked, praying for the field goal, we watched the Longhorns win the Rose Bowl. We jumped and screamed and hugged. He was such a great guy who inspired so many lives. My prayers are with his family and friends. He is loved and will be missed by many. God Bless

“ Sorry to hear about Judson's passing. The Longhorn Band has afforded me lifelong friendships that I continue to cherish. It is sad to hear about the passing of one of our extended family members. I was fortunate to be in DC during the inauguration and see many of the LHB members in the Reagan Building on the 19th while eating dinner there that evening. I watched the band from the 5th floor of that same building the next day - they looked and sounded great! Judson would have been proud - surely they marched in his honor. Judson and your family will be in our thoughts and prayers.

“ To the Davis Family, I pray God's arms will surround you in this time of loss and grief of your dear son Judson. I had the priviledge of meeting him on Nov. 6th 2004. My son Zach Nason (freshman of UT) who is also on the Bertha Drum Crew introduced me to him as they were sitting around that afternoon watching the Band practice for the game that took place that night. He was a very sweet and respectable young man. I know the members of the band along with my son were in shock along with grief last Wednesday at the suddeness of Judson. As a mother my heart reaches out to you and your husband. Please let me know if I can help in anyway. May God Keep You and Comfort You All.

“ Rex and I were saddened to hear about J.D.'s death. Debbie had J.D. in Agape Ensemble at Green Acres when he was in Middle School and what a great kid and such a blast to watch him grow up and have an energy and enthusiasm whenever we saw him. Rex and I were Choir sponsors for many tours he was a part of. After we moved to Kansas from Tyler, we went to Oklahoma City for a high school tour and J.D. amused us several times with always a big grin on his face. When we recently received his graduation announcement from UT we were so excited for him! We loved catching up with him through instant messaging(the "jdster84") and this is truly a young man who will be missed. Our thoughts and prayers are with the Davis family. May God grant you peace during this difficult time.

“ JD had a zeal for life and a passion for Christ. The world is losing a passionate person which it is in short supply of these days. Anyone who knew JD knows of this spirit which I speak of, and while at A&M he had the chance to share it with many.

“ What can be said to describe the joy that JD would always bring to a room? Anyone who has ever been around him for 5 min knows the kind of loving and outgoing personality he had. I earned my Eagle Scout rank in Troop 335 in Tyler and spent a couple of years with JD. As a young scout, he was one of the older guys I looked up to and depended on for guidance. He was always willing to help. I was so surprised when he just showed up to Basketball Band at UT last year. We had a great time hanging out through Basketball Band and he served as our guide in Seattle on the band's trip. JD was a great guy that will forever be a part of my memories of UT and Boy Scouts. My prayers are with his family and friends.

“ I would like to express my deepest sympathies to the family and friends of JD Davis. I work and attend graduate school in the UT Kinesiology department, so I saw JD often. He always had a great smile on his face! Though I did not know him personally, I feel a connection with him as we had very similar paths in life with Longhorn Band and the Kinesiology department.

“ Elizabeth called me the day "JD", as the kids called him, left to be with the Lord. She was crying and confused and in deep sorrow. She told me how the other kids were all questioning what had happened. "Mom, everybody liked JD. He was nice to everyone." She also told me that her hope in knowing he was in heaven had opened doors for her to share this hope with others. Even in JD's dying, he is shining Christ!

“ Judson personifies why men serve to lead scouts even after their own sons have moved on to adulthood. Judson not only had the capacity to lead, but the patience to follow. His success will be measured by the relationships he forged in his all too short life here on earth. Tonight he trades his place among Eagles for his place with the Angels. All of the Troop 335 Family will carry Warren and Linda in their thoughts and prayers tonight and Judson in our hearts forever.

“ Judson Daniel,  
Forever young and at the height of success  
He now finds his soul free  
He is son, member, student, and friend  
He lives in each smile we meet,  
Each twinkle of the eye that is returned  
Every turn of her drum  
Every celebration of success  
Our lives received his gifts  
And we grew from knowing him  
He died in full enthusiasm  
Comforted from recent conversation  
With his first love  
We will only overcome our sadness  
By the remembering the joy he bubbled.

“ J.D. was a fine young man. In his life and his death, his passion is told. I was reading something that reminded me of J.D. this morning. From 2 Samuel 1:23, J.D. was one of those about whom this might be said:

*"in life they were loved and gracious,  
and in death they were not parted.*

*They were swifter than eagles,  
they were stronger than lions."*

*May God give your family strength to endure the temporary separation, and may His Glory shine because of J.D.'s life.*

“ My deepest sympathies to J.D.'s family. My son, Vladyk, and I feel fortunate to have met J.D. during the Longhorn Band's trip to Pasadena for the Rose Bowl. The band had just performed at the Pasadena City College and had some free time for lunch and to rest - Vladyk and I met and talked to J.D. for a few minutes. I was very impressed with his energy and kindness. We discussed their trip, common experiences from the Longhorn Band, and even a hobby we shared - running (I was wearing a 5k t-shirt from Austin - he remarked that he had run in the same race). From our brief meeting, I feel blessed to have crossed paths with him and to have made his acquaintance.

I pray that you may be active in sharing your faith, so that you will have a full understanding of every good thing we have in Christ. Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of saints."*

*I don't think there could be a more appropriate verse when I think about J.D. His love of the Lord, his enthusiasm for life, his passion for people, and his desire to serve stand out to me as the hallmarks of his personality. I was fortunate to cross paths with him soon after he entered A&M and spent a number of good times with him in my office at the MSC and at the '04 Bible Study. He was also a delegate at the 2003 Abbott Family Leadership Conference which is run out of my office.*

“ Your loss of JD is a shock to us all. Although I did not know him, I am certain he embodied all that is good and right in America's young men. He had the honor of wrangling Big Bertha, of playing in the showband, of meeting and knowing and being a blessing to so many hundreds of kindred spirits in the band and UT. “ I really didn't know J.D. that well, but just hearing about what had happened, you feel like you are losing family, because in the Longhorn Band, we are all family (365 of us!). It feels like you lose a loved one so I really didn't take the news all that well. Whenever I saw him, his face was always lit up with joy. There wasn't a moment when I saw him that he was frowning or feeling bad. He was always grinning from ear to ear. I believed he loved this band more than anything. He was one of the main contributors in bringing Big Bertha to her first Rose Bowl trip and for that I am very thankful he was apart of making that happen. You All will be in my prayers and just know that he is in a better place and he is with us in spirit. May God Bless you all and Keep you.

“ What I loved most about JD was his passion and energy for everything he was involved in, particularly the Longhorn Band. I am a section leader for the colorguard, so we marched right behind Bertha Crew going to games or in parades. When we were all rehearsing with our instruments one day during band week, JD was sitting in the corner of the bubble with a box full of metal and plastic. Later, he comes out to meet us with Mini Bertha (a recycled bass drum) on a red flyer wagon. He made us in the colorguard very proud to follow him and his tiny drum, and I still smile when I think of it. Thank you JD, we love you and we miss you.

“ *Our deepest thoughts and prayers are with you during this difficult time. Even though we did not know JD we are saddened by this loss to our LHB family. We have read the tributes from his many friends and teachers and we would like to thank you for bringing your angel into this world to so wonderfully touch so many lives. He will truly be remembered and therefore will live forever. May God's grace and love be with you.*

“ I was shocked and saddened to hear the news of Justin's passing. Our thoughts and prayers are with you. It is obvious that Justin was a strong man of God and touched many lives through his love and excitement for life. I know all LHB members past and present feel a sense of loss. May God bless your family.

“ As a Alumni Band member, we all feel a bond no matter how many years divide us. I was one of the original girls in 1956 and that's a long time ago. Many of us in Austin and some came from other places to meet the band when they came back from DC. That's the kind of group that Judson was a part of. From what I have heard, you had a great son.

“ I am so very grateful that I was able to spend a summer with JD at JH Ranch in California. What impressed me the most about him was his desire to serve others. He was always so quick to encourage everyone around him and to do whatever would make their time more enjoyable. There was not a day when I did not see him with that HUGE smile on his face. He radiated the love of Christ and genuinely loved others well. He was so fun to be around and just to hang out with. After that summer the next spring I flew out to Texas to see JD and some other guys that served with us on staff at A&M and that was a trip I won't forget.

When I moved to Texas last year to attend a women's discipleship program one of the first people I called was JD. Although I was never able to see him while I lived there we were able to catch up on the phone and those memories mean so much more now.

I still find it hard to believe that I am writing this but I am grateful that we have a hope that does not disappoint. I can't wait to see him again and to hug his sweet neck. He impacted so many lives including my own.

To his family, may the grace and comfort of our Lord Jesus Christ be close to you now and always.

“ Our son Rich, a sophomore member of LHB drumline, had a very short but special friendship with J.D. He spoke of him with the highest of admiration. When our son told us about your great son, we were so happy Rich had made a new friend. We knew they were going to share some special times in LHB. The Rose Bowl Game was that one special event. On this trip, they learned more about each other and enjoyed many conversations filled with laughter. When they returned to UT from Pasadena, J.D. gave Rich a ride home to San Antonio. They were making plans to do more things together. We were so appreciative of J.D.'s kindness, we wanted to meet and thank him personally. Although we didn't get the opportunity to do so, we feel he knows how much we appreciate his thoughtfulness. J.D.'s memory will always live on in Rich's life. Rich said J.D. told him, after the Rose Bowl win, that this was the greatest moment for him. In his honor and memory, our son's gift to J.D. will be his first bass Pasadena drumhead, decorated as a memorial wreath. He knows J.D. will love it. J.D. will forever be in our family's thoughts and prayers. Blessings to your family, today and always.

Sincerely,  
The Larrumbide Family

“ Dear Davis Family,  
Even though I was unable to meet Judson I did see him a few times during several of the games. He appeared to be happy and enjoying himself not only as a member of the Longhorn Band but enjoying life to its extent. My brother who is a member of the band told me many great things about Judson that I felt I did know him as a friend. My deepest sympathies and prayers are with your family.

“ My association with J.D. was not long in terms of length of time, however, the impression he made on the women's basketball family will last indefinitely. As a part of the basketball band, his enthusiasm and passion in everything he did was always present. For JD, it wasn't a part-time thing! He went out of his way to stop by the basketball office to "wish us luck"...to see if he could help with anything to prepare our team for March Madness...to just "check-in" and say "hi". His presence on this earth was significant to all he came in contact with....you didn't have to actually know his name for him to share a smile with you. He had a way of always making your day better if you were fortunate enough to see him in the elevator in Belmont Hall...running on campus...or sharing his passion of music and love of sports in the Erwin Center. JD, thank you for making a difference in my life. March Madness isn't quite the same without you in our basketball band! We miss you!
