“ My friend, Kids, I want to say to you that you were your mothers whole life. All Judy ever wanted was the best for you. Judy and I go back when your Father died. Judy and I became best friends, we called ourself after the movie BEACHES. Judy was always a lady in every since of the word. Judy and I was roommates with Sabra and KK along with my son Wes. We had some really hard times but most of all long girl talk. Judy was my friend. I last spoke to her a few weeks back. Judy as always was in good sprit. I'm so glad she and I had a chance to speak. We will see Judy again. In Proverb it said that children are the jewels in the crown and the glory of old men. You are and always will be her jewels.

“ I knew Judy through Schlumberger. She worked at the Shreveport Training Center in the mid 1990's. Judy did an outstanding job for the center. I was very glad to have Judy as an employee. She was friendly and willing to help others and always gave her best. She was a good friend and co-worker. She will be missed by her family and those who knew her.

“ My heart is breaking to think of this world without Judy in it. I so regret that we let years go by without a word, but I know she knew how much I loved her. She was a wonderful friend and I have so many memories to carry with me. I am sure that all her children feel as I do that she is in a far better place, and after 20 years, she can be reunited with the love of her life.

Love to you all,

Mrs. Teri
