“*Julie was a bright spot in my life and everyone who met her. Her humor would make everyone's day better and more fun. I so love the Davis family, they have been an important part of my life since the 1980's when I met her beautiful Mother. Edie as one of our special volunteers at U. T. Health Center Northeast. I watched their gorgeous granddaughters grow up and Julie just adored those precious niece's. I consider myself very blessed to have her come into my life and we know where she is. Edie and her darling daughter are together well and so happy. We look forward to following you both and what a fun day that will be. Our love and prayers to Martin, John, Becky, Chrissy and Katie. Our prayers and much love are with you now and always.*”

Love you,
