“ Jordan, Payton and Jacob... Sending love and prayers to you all. I'm so sorry for your loss. Your mom and I shared a bond through you girls. I will never forget how loving, caring and understanding she was. She welcomed me into the family the first day we met.. It was at one of Jordans basketball games. We had some fun times together and lots of great chats. She and Jeff meant a lot to me. We all had a respect for each other not every blended family shares. I was the lucky one. I will cherish her and Jeffs memory forever.
