“ Our condolences to the family and especially to Joe in the loss of a lovely family member. My sister and I attended West Columbia schools. Joe's wife was my teacher there. I am also a member of ETGS and find every day that it is truly a small world if we only connect the dots. Linda and I both live here in Tyler but were unaware until just a few minutes ago of this loss or we would have attended the services. We are thinking of you all.

“ Juquita will always hold a special place in my heart. I will never forget her big smile, infectious laughter, and her sweet Southern drawl! She was such a warm person and always so full of life; "spunky" as Rick likes to say! So many of my childhood memories took place at Juquita's house; she always made pizza and let Rick and I watch Fraggie Rock. Fun times! I will miss her immensely and will keep Rick, Richelle, and all of her family in my prayers during this difficult time.

“ My deepest sympathies to the Hall family. I knew Juquita through the oil and gas industry. I am the manager of Shreveport Petroleum Data in Shreveport, LA and we have had many discussions about various areas of our jobs. Our talks always left me with a good feeling - and Juquita could always make me laugh. I visited her library several times and she was such a gracious hostess. I will miss her.

“ We want to express our sincere concern for you at this time of loss. We knew your mom while a student at Northside High School and highly regarded her. She was a beautiful, sweet person who always showed great caring and consideration for others. We will hold her memory fondly in our hearts. You are and will continue to be uplifted in our thoughts and prayers. May God bless you and keep you.

“ I considered Juquita a good friend and she was always there to give support to me when I needed an uplifting spirit. She always had the kindest and most positive words for me. She leaves a void with many people that cannot be filled or replaced. I was proud to know her. She will be missed greatly. I believe I speak for all that knew her. Godspeed!

“ Juquita and I rode the same bus to and from school. She's about 8 years older than I and was one of the teenagers on the bus that mesmerized me! She laughed a lot and talked a lot and I'm sure I sat and stared at her and her friends throughout the bus ride. From their example, I thought there couldn't be anything better than being a teenager! It seems that her life was very satisfying and that pleases me. She and her family lived just south of my family on HWY 283 for a time.

“ I will miss Juquita Hall immensley. She has always been a fabulous friend and such a wonderful person. I'm just one of LOTS of geologists & friends that have known her for so many years through the log library in Tyler. She has been such a good listening ear to all of us, always wanting to get updates on our wives & children, our jobs, our lives... Rick & Rochelle: your mother has loved you both, and your dad, so very much... she shared many a good story on you both... through your young lives at home and your adult lives through college, marriage, kids, etc... As I like to say: life, love, and other mysteries. Thanks for sharing your mom with us and I pray that the Lord Jesus Christ will sustain your hearts through this very painful time of loss. Juquita has truly left an indelible mark on my heart and I'm thankful to the Lord that I have been privileged to call her FRIEND... I'll miss her a lot... Please let me know if I can somehow lend a hand... Casey Clawson

“ Our heartfelt sympathies to the Juquita Hall family. Over the years, we have often remembered the great times with Richard & Juquita during our days at Midwestern University. Dave was a basketball team member with Richard. Beth knew Juquita from Northside. They were good friends and often made us laugh. Juquita had a distinct and unique personality and loved by all. I remember her well from our Northside basketball team. I can see her red cheeks as she played with great intensity. Thanks for giving us the opportunity to share our thoughts.
