“ The world has lost one of the most precious people! I will always remember the story of how she used her little 3 yr. old hand to cover a wasp so it would not bite her baby brother. She grew up to be just like that with everyone else! I know that I will see you again, sweet Karen. Blessings and prayers for all the family.

“ I had not seen Karen for a number of years and frankly did not know she was ill. I have very fond memories of this sweet-natured and kind-hearted person going all the way back to our days in Jacksonville schools. My heart is heavy with the loss of this old friend. Prayers of comfort and peace for her family and close friends and may God have mercy on her sweet soul.

“ I grew up in Mt. Selman with Karen - we attended the Mt. Selman Baptist church on Wednesday nights for GMA (Girls Missionary Auxiliary) and bible school during the summers. Karen always had a smile on her face and was a joy to be around. Prayers for her family during this difficult time.

“ Sweet Karen! In 1962, when Daniel and I were married, Karen was our flower girl ! A precious three year old. They told me after the wedding, that she made eyes and blew kisses to my daddy during the whole ceremony. Always wished I had a movie of that. She had a smile that would melt an iceberg.... a heart full of love... and hands that were always ready to help. She will be missed. We send our love and prayers !

“ There is not enough room, nor enough words to describe what a wonderful woman Karen was. She had such a love of life, her family, & friends. She was always cheerful and kind to everyone. Karen was a loving aunt to my daughter as well as to my grand daughters. She and I also remained friends over the years. Karen will always hold a special place in my broken heart. I will always remember her in a very loving way.
