“ I fondly remember Karen and Mike who were there in 1990 when we were married on the cruise in st. thomas. i willnever forget how mike gave my husband bob 2 tuxedos to wear--not one mind you but 2!! a black one and a white one. they made our trip and wedding so special since none of our friends came except 2 couples who stood up for us as witnesses. It was karen and mike who made our trip so special and i will never forget karen's smile and warm heart. i have since lost bob and i have all the memories of the cruise in december 1990. thank you karen and mike. my sincere sympathy to the family and michael.
