“ We are so sorry about the loss of your dear loved one. She will be greatly missed by so many people. Although Kathleen is no longer on this earth, she will live forever within the hearts of all the people who knew and loved her. The memories you made together will be treasures to cherish forever.

John and I will always remember the times that we shared with both Kathleen and Wayne when we were in school. It is hard to believe that so many years have passed since then.

May God comfort you.
