“ *I will always keep you in my heart and my memories. You were my sweet, thoughtful, kind, and giving friend. Tears come each time I think of you, I miss you so much! I miss hearing from you, but understood you didn't feel well alot of times. Think of all the colors you'll have to paint with in heaven.....my sympathy and prayers to your family.*

“ *Kathleen's face was like a color palette of her soul. Her contagious smile of alizarin crimson...her glowing eyes of ultramarine blue..cheeks of permanent rose and hair of quin gold. She painted her way into our lives. There will always be a special place in a little studio in our hearts. May she find peace and love in God's home of total values. My sincere sympathy and prayers to her dear David and to her beloved family.*

“ *The more you knew Kathleen the more you loved her. She was this pretty, bright eyed girl who joined our art group. Her generosity with her time and feel good gifts was such pleasure to my life. I will always call her the 'Unforgettable Kathleen' for the sunshine she brought to me. Whenever I rode with her she would always say, just go to sleep and we will be there before you know it and by george, we were there before you knew it. Ha! She could sense my sad moods and always offer lots of help with books, cards, small gifts because she wanted me to feel good. In her dark days she would think of others. Kathleen always wanted to be a good student of art and took many lessons from some very famous teachers. Her paintings were wonderful. Her cooking was wonderful. She always brought goodies for us 'artist' to eat while painting. Her "keeping of artist" when they came to town in her lovely home. I will always cherish her. May God bless David and the family as they say goodbye to a treasure. Eva Munson*
