“ Please accept my condolences on the loss of your mother. I am praying for all of you. A contribution to missions was made in memory of Miss Kathleen at my church.

I don't know if you remember, but my daughter Angela's middle name is Kathleen in honor of your mother and all that your family has meant to me.

Blessings to you.

“ *Bob and Kathy:*

Wish we could be with you. Had talked with your mom over a year ago (perhaps longer) and knew she was not well. Always so sweet and smiling. Will miss knowing she's not on this earth anymore; but, know she and your dad are once again rejoicing together. Please come see us when you are in the Dallas area.

Love,

Linda

“ *My prayers are with all of you at this time.*

I have so many "precious memories" of Kathleen and our fun times as kids, teenagers and the few times we got to be together as "old folks". My memorial will be sent to FBC at Recklaw. I even got to enjoy one visit with her there.

My love to you, Kathy and Bob, and the rest of the family
