I met Kathy at Cain Elementary while waiting for our kids and grandchildren. She was caring for both. She was a woman of great faith and good will. If your ran into her there or at the grocery store you would always walk away with a smile. She had that affect on everyone she met. I was blessed to have her pass through my life as a friend and I know many people that feel the same way. God Bless her Family as they go through this time. Rest In Peace My Friend.
